

Fina Gardens Naivasha

Due to what has been observed as a shift from the traditional holiday destinations and the need for reduced travel time, Naivasha offers an easy-to-reach destination where one can get away from the normal city life without losing touch.

Fina Gardens was founded by family members who recognized a need for more holiday destinations in Naivasha which is a preferred retreat for those seeking country-side life and tranquility.

Facilities

We offer a serene and quiet homely environment for bonding and relaxing with family, friends and groups. We have unique executive furnished double and twin self-catering cottages where we provide the necessary kitchen utensils and cutlery and all you bring are your own drinks and food stuff to cook, giving you freedom to choose your menu and lifestyle. We also have beautiful grounds for camping as well as for functions such as weddings, parties, teambuilding and other outdoor activities.

- Cottages for accommodation
- Well manicured lawns and garden
- Spacious outdoor sitting areas with shade
- Outdoor Barbecue stands (nyama choma)
- Restaurant and full-time chef
- Conferencing Facilities
- Upcoming Facilities
- Kids Snacks area and fast food
- Sports bar with DSTV and subtle music
