

Central Park Guest House Machakos Hotel is a modern, quiet and comfortable hotel, located only 30 minutes drive away from Kenya's international airport, the Jomo Kenyatta International Airport.

Accommodation:

All the rooms are self-contained, arranged so as you give you an attractive view of the serene countryside. To the east are ancient Iveti Hills, one of the traditional homes of the Akamba community known all over the world for their artistic talents. Their famous products are the wood carvings and the kyondo (traditional basket). To the south is the volcanic Kiima Kimwe and to the west are the Mua hills.

Conference Facilities:

Central park guesthouse is well placed to host conferences and seminars. Being close to Nairobi and on tarmac road it is easy for participants to travel back and forth between the city and the guesthouse.

We have some of the best facilities for conferences. You can choose from three well furnished and comfortable halls depending on your needs. Small conferences can be held in a smaller hall which accommodates up to fifty people while a medium hall can hold seventy. www.crocodil eracers.com

A large conference of up to one fifty participants can be accommodated in our large hall. All of them have:

- LCD projectors
- Overhead projectors
- Screens
- A blackboard and chalk

Participants will also find our dining hall and food excellent and appetizing. Our dining hall has a capacity of two hundred and a choice of either a buffet or a la carte with a choice of African,

Indian in addition to regular international dishes.

Ammenities at the guesthouse include:

- Free ample secure parking space
- Free room service
- M-Pesa services within so you can withdraw and send money easily
- 24 hour access to our reception
- Access to one of the best golf courses in the country
- Access to fax and e-mail facilities
- Major banks and ATMs only a few meters away
- Access to entertainment facilities at our Wizards Club
- Easy travel to one of Kenya's most interesting tourist sites such as Wamunyu – the home of Kenya's world famous carvings and Kyamwilu – where the forces of gravity are defied.
- Transport to the world famous Amboseli National Park.
