

▣ **Horse Back Riding Safaris** are offered by Crocodile Racers Safaris together with Ride Kenya. Ride Kenya is nestled in the foothills of the Chyulu Hills in southern Kenya, and close to Ol Donyo Wuas Lodge and offers tailor-made horse riding holidays in a truly unique part of Kenya. Horse riding Safaris in Kenya in the wild operation is nestled in the foothills of the Chyulu Hills in southern Kenya, with panoramic views of Mt. Kilimanjaro. The riding safaris take place on over 300,000 acres of wilderness. Ride Kenya and their partner, Ol Donyo Wuas has exclusive access to this concession. www.crocodileracers.com

The Chyulu Ride: This signature ride has been popular since the start. The range of scenery and terrain are perfect for both horse and rider. The wildlife on this ride is more spread out than that of the Amboseli Ride, but there are great sightings nonetheless. It is an ideal itinerary for families, or less-experienced riders.
