

Maili Saba Camp is just a two and a half hour drive from the capital Nairobi and Jomo Kenyatta International Airport. The camp is ideally located off the Nakuru - Nyaharururu tarmac road.

Maili Saba Camp is convenient as a stopover for travelers on their way to Lake Turkana, Mount Elgon and Mount Kenya National Parks. Kisumu and the Ugandan border are only a day trip from here. Mombasa and Lamu for the flying traveler can be reached comfortably in a day.

Tucked away on the edge of the magnificent, dormant, Menengai Crater, accommodating only twenty pampered guests at a time. **Maili Saba Camp** embraces a warm casual atmosphere within African Simplicity. Menengai Crater is a volcanic crater in the Great Rift Valley.

Whether you will visit Maili Saba Camp on your way to the Masai Mara or come for a weekend out you will leave refreshed and inspired by nature just twenty minutes out of Nakuru town. **Maili Saba Camp** offers a comfortable, relaxed and secure environment, and does their best to suit your every need.

Accommodation Maili Saba Camp - Nakuru

Maili Saba Camp is 20 Minutes from lake Nakuru National Park. Whether huddled over steaming morning coffee or savoring sundowners on the verandah of your exclusive grass thatched banda overlooking the astonishing views or just take a plunge in the infinity pool you will enjoy the African Simplicity.

Each, grass thatched tented banda, has its own unique view on the crater. The banda's are all equipped with comfortable beds, a pleasant verandah or private terrace. Rinse of the safari dust under your spacious shower with all required facilities.

Oil lamps set a romantic mood in our rustic restaurant and bar while during breakfast you can enjoy the magnificent, silent, crater view. **Maili Saba Camp** dishes consist of fresh home

cooked western and more Swahili influenced meals.

Mali Saba Camp has maximum of 24 guests and provide dining, bar, banqueting and conference facilities for up to 50 guests. **Mali Saba Camp** boasts African simplicity with a magnificent view.
