

Eliye Springs Camp & Lodge is located on the western shores of lake Turkana in Kenya. It's a beautiful site with a unique beach located on the western shores of lake Turkana in Kenya. Eliye Springs Camp & Lodge sits directly on the unspoiled beach of Lake Turkana amongst the palm trees that flourish around the clear water of the spring. The place was brought back to life in a smooth, sustainable and economically viable way in several steps.

Accommodation & Room Types:

Eliye Springs lodge includes 6 luxury and unique turkana bomas. Each boma contains a main house (the biggest ever built Turkana hut) with double bed and some furniture, a verandah facing the Lake, a tiled bathroom and a space for relaxing, sunbath and pleasure.
