

KISUMU BEACH RESORT (KBR) is a family run eco-friendly hotel situated on the banks of Lake Victoria.

Away from the hustle and bustle of downtown Kisumu, at KBR you'll be surrounded by lush green lawns, mesmerizing sunrises and sunsets, and sights of magnificent birds and hippos grazing by the banks.

Single and double occupancy rooms with the option of half-board or full-board available. For our campers and 4x4 trucks we offer a large space to set up your tents and bandas (huts) with a direct water supply for cooking and cleaning. Warm showers are also available for all campers!

Join us on one of our power boats, canoe, mini ship or sail boats. Or choose to relax by the water and enjoy a meal and drink from our fully stocked restaurant and bar. www.crocodileracers.com
