

Mara Chips Camp nestles in shady riverine forest just outside the Masai Mara Game Reserve.

The Camp is divided into three units of ten tents and each of these units is designed to be self-contained with its own dining tent, bar and log fire to preserve the feeling of intimacy only possible in a small camp. In addition to game drives, there is the opportunity for game and bird walks in the vicinity of the camp or a visit to a nearby Masai manyatta.www.crocodileracers.com
