

Enkolong Tented Camp is a Budget camp set in a pristine natural environment at the foothills of a small hill by Sekenani Valley in Masai Mara, surrounded by beautiful indigenous Acacia trees.

Enkolong Tented Camp in partnership with the local Masai Communities, where the income generated from the camp is shared between the camp management and the local Masai community in a sustainable way to enhance the living standards of the locals. The camp enjoys stunning views of the hills, plains.

Enkolong Tented Camp has 22 tents in total, all spacious enough to hold a maximum of 4 guests. The camp has 8 Standard Tents with an en-suite flush toilet; however the bath room (shower) for each tent is outside just adjacent to the tent.

The other 14 Basic tents all have both the flush toilet & bath room (shower) on the outside but adjacent to the tent. There is no mains electricity and the camp's lighting and water heating systems are powered by solar and generator. Enkolong Tented Camp tents are spacious, airy and comfortable.

They also have safari/camping seats. There is also an ample camping space for those who would like to pitch their own tents.
