

Nyumbu Camp lies in the Masai Mara eco-system; an awesome natural wonder; a place where Masai warriors share the plains with the hunting Lions, a place of mighty herds and timeless cycles of life. Each year the Mara plays a host to the world's great spectacle, the Great Wildebeest Migration from the Serengeti.

Camping here in luxury will give you more of the flavor and adventure of Africa than staying at a lodge. You don't have to drive to see the animals - they come right to Nyumbu Camp!

Nyumbu Camp is an authentic "Out of Africa" eco-friendly, camp, which is close to nature, and a rare find in today's world. You will be right in the middle of the Great Migration dispersal area, with lions, leopards, and cheetahs in the vicinity. You will hear the hyenas laughing at night, the zebras honking and the night sounds of Africa.

Masai guards are on duty 24 hours a day and the dedicated staff offer wonderful service, in a friendly non-commercial atmosphere. The location is ideal for nature walks, and game drives can be as diverse as you wish. You can go as far as the Mara River, near Serena. You can go to the Musiara swamps to see wonderful elephants, and also reach the Mara River there.

If you so wish you can go into the beautiful unspoilt country of the Nyumbu Conservancy. Here you can really absorb yourself in the beauty that is Kenya.
