

Mara Serena is located in the mid north western part of the game reserve. It stand centre stage to one of the Africa's most dramatic wildlife arenas, and has a ringside seat for the greatest wildlife show on earth the legendary migration of the wildbeest.

The lodge draws its design inspiration from the traditional Maasai homestead composed of Manyattas, domed mud huts encircled to form a "Boma" or cluster of huts. Mara Serena offers a rare blend of raw African splendor and sumptuous sophistication.

Description:

The Lodge offers 74 guestrooms that have been designed so as to blend seamlessly into the landscape whilst offering magnificent Mara-vistas from their private verandas. The interiors are individually styled in colors reminiscent of Maasai art whilst also providing a relaxing haven after a hard day in the bush. www.crocodileracers.com
