

Kenyaways Hotel & Kite Village B&B Diani Kenya in Galu is the best place for a hotel and beach vacation in Africa. Located in the beach resort town of Diani Beach which is on the South coast of Mombasa, East Africa. Nestled on the quieter Galu Beach, on Diani Beach South side, which is away from the main Diani Beach where all the larger (uglier!) hotels attract hordes of hassling hawkers, Kenyaways is a real hidden gem and preserves its natural paradise. The hotel offers a unique and private place for a low budget traveller. Galu beach expands its white sandy beach as far as the eye can see, with palm trees fringing over the tropical coastline and turquoise clear water is sheltered by a coral reef which makes it a safe swimming lagoon, perfect for a beach vacation or holiday. Activities include kitesurfing, snorkeling diving, and other watersports.
