

Kinondo Shwari Private Cottages are located directly on the most hidden sandy stretch of Diani Beach between the Galu Kinondo Sacred Forest national monument and the Indian Ocean.

Kinondo Shwari was founded in 2010, and the owners and general managers, Subrany and Robert Lucas, live on site. This holiday resort does not treat you like an anonymous reservation number. We do everything possible to let your ideas and preferences come true. Our holiday resort is perfectly made for being lazy, enjoying the sun and the sea. This said, we take special care of everything you need to feel comfortable. We provide you with chilled drinks, delicious meals and privacy if wished. www.crocodileracers.com
