

Papillon Lagoon Reef Hotel Mombasa is spectacularly situated overlooking the renowned Diani Beach. The hotel was built in traditional Swahili style, nestling amid exotic gardens and fishponds shaded by ancient baobab trees. The timeless sounds of the ocean are constantly punctuated by the mingling cries of the Toucans and the Colobus monkeys as they leap from tree to tree.

Papillon Lagoon Reef Hotel is all-inclusive, and is located 35 kilometers from the Mombasa mainland, and is catered towards families, friends, and couples. Papillon Lagoon Reef Hotel Mombasa has 150 rooms with the following designations:
