

Forest Dream Cottages are located on the Diani beach, south coast of Mombasa Kenya, with a selective number of villas, rooms and cottages spread over 25 acres of sub-tropical forest area.

All cottage villas at Forest Dream are uniquely designed to cater for different sizes of families and groups. One can enjoy some sports at leisure such as tennis, sand volleyball as well as jog on the coral powdered paths. There are a total of six cottages at Forest Dream

Forest Dream Cottages, which include Colobus cottage, Bush Baby Cottage, Leopard Cottage, Fish Eagle Cottage, Mongoose Cottage and Sultan Cottage, are uniquely designed in African Swahili style in a unique tropical forest of the Diani beach in the southern coast of Kenya close to the Indian Ocean. Built on a one acre tropical garden, each cottage ensures the ultimate in privacy and space, making Forest Dream cottages a unique and private resort created in an idyllic setting of the famous Diani beach.

Forest Dream cottages and villas feature exclusive furniture and artistic designs which make comfort a first priority in a special living area surrounded by nature. Wander in the magnificent gardens besides a Japanese fish pond hosting brilliantly coloured Koi fish or sip cocktails while basking in the sun next to the custom designed swimming pool and water fall.
