

**Kusini Beach Cottages** is a small tourist complex built in front of one of the most beautiful white sand beaches along the Kenyan coast.

**Kusini Beach Cottages** are furnished in a Swahili style and consists of five cottages, with each unit enjoying a lovely sea view and being named according to the winds and wind directions in Swahili - Pepo meaning wind, Mashariki meaning East, Magharibi meaning West, Kusini meaning winds from the South and Kaskazi meaning winds from the North.

### Accommodation & Room Types

The cottage rooms are spacious and comfortably furnished with double or single beds and an extra bed can also be added at an additional cost. The bathrooms are en-suite or private and consist of a shower only. Linen and towels as well as mosquito nets are provided and the rooms also have ceiling fans [www.crocodileracers.com](http://www.crocodileracers.com)

### Magharibi Cottage

Contains a fully equipped kitchen, all rooms self-contained with a sea front view with Lamu terrace on the top of the roof. It consists in 2 standard rooms and 1 suit room with private veranda, for 6 people (max 8).

### Dining & Staff

The kitchens are fully equipped for self-catering and guests can buy the necessary food and drinks at the local shops.

Each cottage also has a personal chef and waiter or room steward to cover your needs and is in charge of catering and cleaning to make your stay more unforgettable.

In addition, all the cottages also have barbecue equipment, so that guests can enjoy fish and seafood fresh from the sea.
