

Kirimara Springs Hotel Nanyuki Kenya is located about 300M from the equator along the Nanyuki Nairobi highway opposite the Kenya National Library Services Nanyuki. You can enjoy panoramic view of the snow capped peaks of Mt. Kenya right from our reception area, the hotels main lounge and our rooms. Our hotel ideally derives its name -Kirimara- from this great mountain.

Our rates remain the most pocket friendly and tailored to suit every pocket and budget. Our friendly and courteous staff always go an extra mile to ensure that you do enjoy your visit as much as possible.

Accommodation & Room Types

Our accommodation services are unmatched. Our comfortable and luxuriously furnished rooms will always make your stay a memorable experience. Stringent hygiene standards are always maintained.

All our rooms are fitted with mosquito nets, hot water shower systems , DSTV and a workdesk. We have a Wi-fi hotspot and clients with portable computers and other Wi-fi compatible gadgets can access internet services from anywhere within our premises.

We have our in-house safe keeping policy whereby clients are given an option to deposit any valuables with our duty receptionist for safe.

Dining

At our restaurant, you can be guaranteed of a wide range of meals, both local and international cuisine in either ala-carte, buffet and barbeque. All our meals are prepared in-house by our team of professional chefs. You can always be free to consult our chefs or the catering staff in case of any request for meals not included in our menu. www.crocodileracers.com

We offer a range of options on where to enjoy your meals, i.e. the dining room, the restaurant and the main lounge overlooking Mt. Kenya, or at the backyard terrace while basking in the sun

We do have a well stocked bar with a wide selection of both alcoholic and non-alcoholic drinks and wide selection of wines, hot beverages are also served.
