

Naro Moru River Lodge is situated on the equator, between the towns of Nyeri and Nanyuki. The lodge is set in lush tropical gardens through which the Naro Moru River flows. The buildings are made of wood found locally in this region.

Accommodation at Naro Moru River Lodge

The cottages and country homes range from 1 to 3 bedrooms. They have a fully equipped kitchen including a fridge and a gas cooker. Each has a private bathroom with bathtub and shower. Apart from the 1-bedroom cottages, all the rest have a sitting room and a fireplace. 2 cottages have en-suite bedrooms. All have a telephone.

The buildings and room furnishings are made of wood found locally in this region, with all rooms facing the river or the gardens and green colours to match the lush surrounding.
