

Holiday at a Home is a household located in the quiet and secure area of Garden Estate. Guests have the option of private or dorm style rooms in our separate guest houses. We want you to feel at home and use all of the amenities located in the main house. You have full access to the kitchen, sitting and tv room, sun room, dining area, and computer workstation into our home are more of a home stay than a guest house.

We have hot showers, western style toilets, wireless internet, and airport pick-ups can be arranged. A continental breakfast is included, and for an additional cost full breakfast, lunch, and dinner can be provided. www.crocodileracers.com
