

Hibiscus Guest House Hotel Nairobi Kenya is located in the upmarket and serene suburbs of Nairobi's Kilimani area, just 10 minutes' drive from the city centre. It is within walking distance to the Java House, Prestige Plaza and Yaya Centre, with the Junction mall a five-minute drive away. Also within walking distance of Hibiscus Guest House are Chinese, Italian, Ethiopian and Japanese restaurants, as well as many entertainment facilities.

Accommodation & Room Types:

The guest house consists of eight uniquely decorated rooms that have been designed taking our guests into consideration. The rooms have a touch of elegance and style just like the Hibiscus flower.www.crocodileracers.com

Executive Suite:

This is a self contained room with a four poster double bed. Ideal for those celebrating special events like honeymoons, anniversaries, etc. We provide honeymooners with complimentary tropical flower bouquet and fruit basket. Has its own access door for maximum privacy.

Peach Room

This is a spacious self contained room. It has twin beds and can accommodate another bed for a family. It is ideal for honeymooners, those celebrating special events or for those who love a good night's sleep after a weary journey.

Rusty Room

A very big and spacious room with twin beds each. It has a shared toilet and bathroom. The room is ideal for a family with young children as it can accommodate three beds. If you are traveling as a group of three – this would serve you well!

Blue Room

A very big and spacious room with twin beds each. It has a shared toilet and bathroom. The room is very ideal for a family with young children as it can accommodate four beds.

Pink Room

This is a spacious self contained room. It has twin beds and can accommodate another bed for a family. It is ideal for honeymooners, those celebrating special events or for those who love a good night's sleep after a weary journey.

Orange Room

This is a spacious self contained room. It has twin beds and can accommodate another bed for a family. It is ideal for those who are looking for a good night's sleep after a weary journey. It has an interconnecting door to the GREEN ROOM making it a first choice for families who would prefer their children to have a seperate room.

Green Room

This is a spacious self contained room. It has twin beds and can accommodate another bed for a family. It is ideal for those who are looking for a good night's sleep after a weary journey. It has an interconnecting door to the ORANGE ROOM making it first choice for families who would prefer their children to have a seperate room.

Red Room

This is a spacious self contained room. It has a double bed and can accommodate an extra

bed. It offers the weary traveller all the comforts after a weary journey.
