

Nairobi Airport Stop Over House Kenya Its a convenient bed and breakfast hostel near the Nairobi Jomo Kenyatta airport. Just 10mins drive form the airport, the hostel serves as an ideal layover, stopover, sleepover, or a day room. As most the other hotels near the airport are highly priced, budget, mid range and backpackers have always had to spend most of their time at the airport awaiting connecting flights. With this guest house, consider this a thing of the past.

From USD 360 Per Week

We have dorm beds, singles,doubles,triples and family rooms. Our 24hour reception allows guests arriving with late night flights like Ethiopian airlines, Egypt air, Turkish airlines and Sabena to easily check in any time. We have 24hour taxis at the airport. Guests taking late nights/early morning flight after a holiday in Kenya or Tanzania can stay with us for all the convenience.www.crocodileracers.com

We had a great breakfast and a good chat with the host. The house was very comfortable and the location was perfect. We had a great time and would definitely recommend it to anyone looking for a stop over in Nairobi.
