

Masera Guest House Nairobi Kenya is located in the heart of Kenyatta Market, a bustling hub of activity filled with an assortment of market stalls. A great place to do a little people watching and shopping in Nairobi. There is also a row of some of Nairobi's best nyama choma grilled meat! Immerse in the vibrancy and atmosphere of the open market as you throng through the street stalls selling everything from clothing, souvenirs, local delicacies and fruits etc.

Experience the comfort of home away from home at our guest house accommodation located right in the heart of Golf Course Commercial Centre. It is ideal for short stays, business and leisure seekers or simply budget conscious travellers looking for a decent place to bed down for a couple of nights. We offer a choice of modern rooms with cable tv, bathroom facilities and a few extras that represent excellent value for money. www.crocodileracers.com
