

Hogmead Boutique Hotel Nairobi Kenya is located in Langata Nairobi. Hogmead is located on the border of the famous Hog Ranch which is part of a larger Giraffe sanctuary in which eight Rothschild giraffe reside. Nairobi's supreme boutique country house, offering first class accommodation and service, surrounded by the history of bygone eras.

Hogmead boasts the finest location while set in the tranquil surroundings of its own private estate. Often used as a stepping stone for guests exploring the delights of East Africa. www.crocodileracers.com

With a contemporary style, Hogmead has been designed to reflect its surroundings in light and open way, yet sympathetic to its heritage. We offer 6 rooms in the main house and 6 in the garden wing with a maximum of 24 guests. The name Hogmead alludes to the many warthogs who frequent the gardens with their small piglets as well as 'mead' from the drink traditionally enjoyed on a honeymoon! The name is very appropriate for this property.

Whether starting your adventures in Africa, connecting between locations or heading home Hogmead will ensure that your experience is everything that a sojourn in a city on the edge of the wild should be. Situated in one of Nairobi's most beautiful and prestigious suburbs, Hogmead boasts the legendary views of the Ngong Hills famously described in 'Out of Africa'.
