Amenities & Services

- A classic book, written by Karen Blixen who was one of the earliest European settlers in Kenya at the beginning of the last century, and with the same title was the inspiration to film. The Karen Blixen Museum, now a popular tourist attraction for hundreds of visitors from around the world, and is a walking distance away from the lodge.
- Other tourist facilities within range include the Animal Orphanage and the Nairobi National Park, the only national park in the world in the city! Teaming with wildlife – lions, giraffe, leopards, rhinos and many others, it is one of the experiences we recommend to our visitors.
- Also not to be missed are the Mamba Village, Giraffe Centre, Bomas of Kenya for cultural performances, the Resurrection Gardens and the Sheldrick Elephant Orphanage.
- There are also many universities and other educational institutions in the close to Twiga Hill Lodge as well as modern shopping malls and restaurants for any visitor wanting to dine out. However, our excellent international and local cuisine from the kitchen of our chef – one of the most experienced in Kenya provides for the most deserving culinary needs.
