We have 41 apartments with a variety of studio apartments, pent, one and 2 bedrooms. Life in a studio is simple living at its finest. Everything you need is there a roof over your head, a place to sleep, a place to cook and eat. You also have room for those touches that make a space home. Walls to hang pictures, a window ledge to place a vase of flowers, a closet or corner for mementos and books.[www.crocodileracers.com](http://www.crocodileracers.com)

What you do not have room for, you truly dont need right now. The pent condominium which is a single dwelling that is on the highest floors of the building. Penthouses are typically differentiated from other apartments by luxury features and stunning views. In the one bedroom will notice that the living room is very well furnished with a sofa sleeper, two seater chairs, 4 seater dining and a nice audio-visual system featuring both a large TV with a stereo and a CD/DVD player. Elegant two bedroom spacious apartment with a 6 seater dining table, 3 seater imported fabric sofas. I addition to other fittings, the apartment enjoys two air conditioning units with a controller.
