

Heri Heights Serviced Apartments Nairobi Kenya neighbours the Nairobi Arboretum and State House, and is a short drive away from some of Nairobi's hottest entertainment spots. With stylish interiors and functional design, Heri Heights Serviced Apartments Nairobi offer distinctive hospitality for a memorable travel experience. Cozy home furnishings and comforts of a modern lifestyle - an urban haven for city living.

A business centre workstation is also available for those who need to take care of some work, and the Papyrus Boardroom which can seat up to 10 people.

Accommodation & Room Types

Heri Heights Serviced Apartments offers guests a choice of 46 apartments, each with a distinctive layout. With cosy home furnishings and the comforts of a modern lifestyle, guests can choose between one of the Studios, Deluxe Apartments, Executive Apartments, Attic Apartments Two-bedroom Apartments and Three-bedroom Apartments.www.crocodileracers.com

The apartments are serviced daily and a laundry service as well as a grocery shopping service and airport transfer are available at an additional fee. A 24-hour reception service is available and a security guard will add peace of mind.

Each lounge area is comfortably furnished and equipped with a TV with DStv. The bedrooms are furnished with queen-size or king-size beds and some bathrooms consist of showers only.

Dining & Staff

Breakfast can be enjoyed in the restaurant, but each apartment also has a kitchen that is equipped with a stove and a microwave, and meals can be enjoyed at the dining table.

For those who do not feel like cooking, the Palm Café and Lounge is located on the premises and serves delicious meals and cocktails to end off your day.
