

Emeli Hotel is located on Kipande Road just below the National Museum of Kenya. Overlooking the John Michuki Memorial Park it is strategically located five minutes' walk from Nairobi's central business district.

The name, **Emeli** is derived from the Maasai word for sea vessel which is the inspiration behind the architectural design of Nairobi's latest boutique hotel offering the comforts of home in a serene and quiet environment away from the hustle and bustle of a city, yet within the city.

Featuring 52 rooms, conference rooms, ample parking, a business center, free wi-fi internet access in all rooms and public areas, a heated swimming pool and roof top lounge amongst other facilities, Emeli ensures your stay will be to your satisfaction.
