

Voi Wildlife Lodge Tsavo East Kenya was officially opened in 2003, the lodge is situated on a 25-acre site on the boundary of Tsavo East National Park, one of Kenya's largest game parks with spectacular views of nearby volcanic outcrops, such as the Kasigau, Sagalla and Mwakingali Hills. Designed to blend unassumingly into the surrounding environment, the lodge boasts a natural waterhole often attracting big game, including elephant, lion, cheetah, buffalo as well as a rich variety of birdlife.
