

Red Elephant Safari Lodge is situated just at the border of Tsavo-East-National-Park, only 700 meters from Voi-Gate and only 5 kilometers from Voi town. Tsavo East is the largest national park in Kenya. The abundance and variety of animals within the country fascinate visitors from all around the world until date.

The red soil of the savannah gives a unique look to the thousands of elephants living in the park and due to their red nature, they are famously known as "The Red Elephants". The Red Elephant Safari Lodge is located at the entrance gate of Tsavo.

Red Elephant Safari Lodge has a blend of high standard traditional African accommodation, tasty cuisine and a cozy atmosphere on Kenya's largest national park, the Tsavo East. The lodge is built to have a traditional African feel and not a modern day's look, but still having all the comfort and luxury expected by a modern traveler. www.ocodileracers.com

Great care was taken to conserve the environment which it was built on. Red Elephant Safari Lodge Accommodation is in 12 double-rooms, 2 triple-rooms and 1 Mini Suite all located in the two wings of the building. The walls are built by stone and the roof from Makuti, the floors are made from Galana-stones.
