

The luxurious rustic **Satao Camp** Rock camp is situated in Tsavo East National Park. The Semi circular layout of Satao Camp provides guest with an excellent view of the central waterhole.

Satao Camp Rock Camp has 20 tents, all en-suite thoughtfully positioned to ensure a full view of the camps "own" watering hole. There are 16 family tents and 4 suites each ahs its own patio with table and chairs. The shower however is in true African style, whereby the camp staff brings hot water in the evening. The bathrooms are very spacious with stunning wooden framework, sunken wash basin and flushing toilet. www.crocodileracers.com
