

▣ **Voi Safari Lodge** is a strategically situated Safari Lodge, in one of the World's Largest Game Park in Kenya called Tsavo National Park. This vantage positioning of Voi Safari Lodge has made it a stopover for many safari adventures, nature lovers and holiday makers who are assured of sampling Kenya's wildlife attractions that continuously beat a track to the three water holes sunk by the lodge below the cliff.

Voi Safari Lodge stands high above the town of Voi overlooking a vast expanse of the African Bush. It is 160 Kilometers from Mombasa City. You can simply watch the herds of wild animals roam beneath you or you can get closer by a network of access roads reaching into many corners of Tsavo East National Park. www.crocodileracers.com

From **Voi Safari Lodge**, you can look out onto the three water holes and see the ever-changing Panorama of Africa unfold right before your eyes and at the same time enjoy the luxury of waiters' service.

There is a special "HIDE" for the camera enthusiasts affording close-up and candid pictures of the wild animals which do not suspect any human presence. This is an ideal spot from which to go out in search of the "BIG FIVE" – Elephant, Lion, Buffalo, Leopard and Rhino.

From Voi you have speedy and easy access to either the Tsavo East or Tsavo West National Park. Voi Safari Lodge has high standards of comfort and cuisine as found in all Kenya Safari Lodges & Hotels.

Voi Safari Lodge is accessed by entering the Park from Mombasa at the Bachuma gate through Aruba Dam or Voi Gate. Voi Safari Lodge has a convenient airstrip, four (4) kilometers away from the Lodge. Because of its easy access from Mombasa and Nairobi, Voi Safari Lodge

is popular with:

- Honeymooners
- Incentive groups
- Cruise Ship Guest
- Conference and business clients
- Holiday Makers from Mombasa
