

The Boardwalk Watamu Kenya is a stunning new 5 bedroom home set on three levels and can sleep up to 9 people. The ground floor and swimming pool is set high up to take advantage of the views out over the mangrove and towards Mida Creek. The house consists of 3 double rooms and a single room all with mosquito nets and a fan. The raised swimming pool has a large deck around it with a covered patio with chairs to relax. The large cosy living area opening out onto the covered terrace and swimming pool is comfortably furnished. The house has a kitchen with a bar that separates it from the dining area. The house is staffed with a caretaker, cook and night guard. www.crocodileracers.com

The tidal nature of the creek brings the water right up to the house at high tide and a spectacular boardwalk has been created to allow easy access through the mangrove to the creek, a fantastic nature walk in itself.
