

Kuruwitu Beach Holidays Mombasa Kenya is situated in the Coast area of Kenya north of Mombasa and close to the village of Malindi. Kuruwitu is situated right off the beaten track. One has to drive through a small village to get to the property and once there your breath will be taken away by the views. During your stay at Kuruwitu you are very unlikely to see any other tourists.

The Studios

The studios, quaintly tucked between palms and outcrops of coral, are suitable for two people. They are spacious, en-suite and offer fantastic views – from their own private verandas – over the sea and the reef. www.crocodileracers.com
